Instructions for Use
Carousel 2 - Stand 2
English (EN)

1 Product description
1.1 Product overview

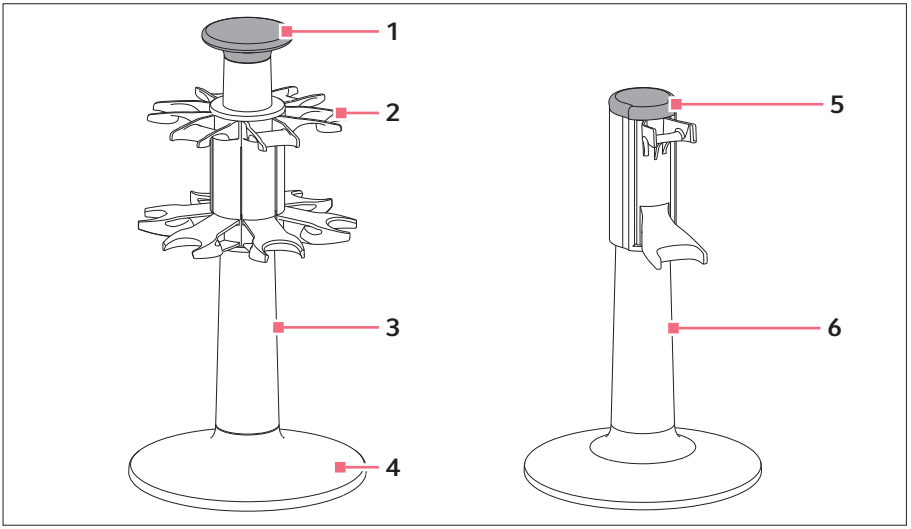

Fig. 1: Carousel 2 and stand 2 for mechanical dispensing devices

1 **Handle**
With bayonet catch

2 **Holder**
For mechanical dispensing devices

3 **Carousel**

4 **Base**

5 **Lid**

6 **Stand**

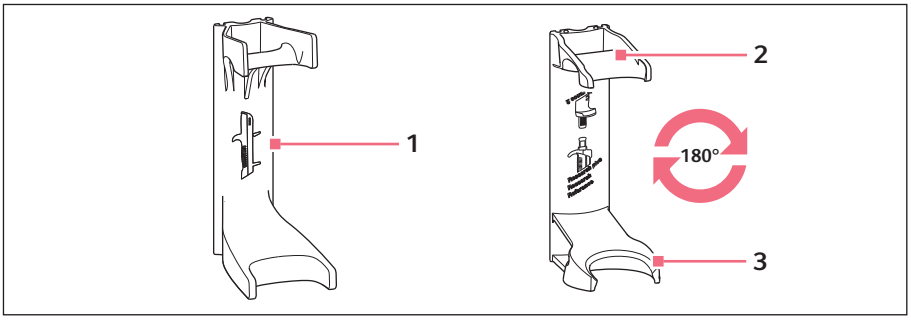

Fig. 2: Holder 2 for mechanical dispensing devices

1 Holder
For Multipette/ Repeater M4

2 Holder
For Research plus, Reference, Research

3 Holder
For Reference 2

1.2 Features

Dispensing devices must not be inserted into the carousel or the stand with the dispensing tip.

1.2.1 Carousel

The carousel can accommodate 6 mechanical Eppendorf dispensing devices (single-channel pipettes, multi-channel pipettes, or dispensers). The holders can be replaced. Using the handle, the carousel can be safely rotated, moved, and transported.

1.2.2 Stand

The stand can accommodate a mechanical Eppendorf dispensing device (single-channel pipette, multi-channel pipette, or dispenser). The holders can be replaced.

1.2.3 Dispensing devices

Suitable mechanical dispensing devices:

- Multipette/Repeater M4
- Reference 2, Reference, Biomaster
- Research plus, Research

2 Safety

2.1 Warnings for unintended use

CAUTION! Danger due to improper handling
Leaking liquids may cause contamination and material damage.

- Eject the dispensing tips before mounting.

NOTICE! Material damage due the carousel falling over
The carousel or the dispensing devices could be damaged.

- Place the carousel on a stable, even, and horizontal surface.

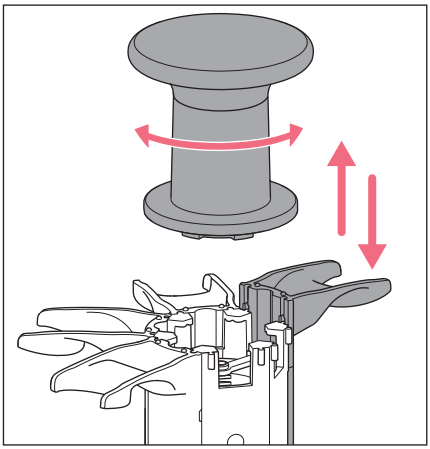
2.2 Intended use

The carousel is suitable for holding mechanical Eppendorf dispensing devices.

All dispensing devices may only be inserted into the carousel without dispenser tip.

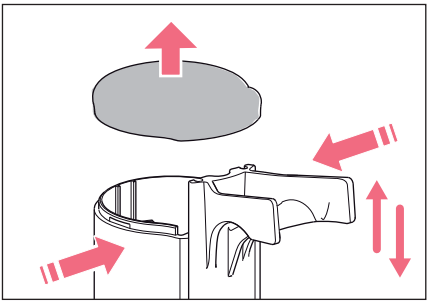
3 Installation

3.1 Changing the holder – carousel



1. Move the handle to the left and remove it.
2. Hold the carousel and lift the holder out.
3. Hook the other holder into the guide on the top.
4. Press onto the bottom of the holder.
5. Slide the holder down until the catches lock into place at the bottom.
6. Fit the handle and tighten it to the right. The bayonet catch engages.

3.2 Changing the holder – stand



1. Press the housing together below the lid and remove the lid.
2. Hold the stand and lift the holder out.
3. Hook the other holder into the guide on the top.
4. Press onto the bottom of the holder.
5. Slide the holder down until the catches lock into place at the bottom.
6. Fit the lid.

4 Maintenance

4.1 Cleaning the carousel or the stand

▸ Use a damp cloth and mild cleaning agent to wipe off contamination.

4.2 Decontamination

The carousel and the stand can be decontaminated with UV light. This may lead to permanent discoloration of the material. The discoloration has no effect on the functionality of the carousel or the stand.

4.3 Materials

Wall mount	**Material**
Available surfaces	Acrylonitrile styrene acrylate with polycarbonate (ASA/PC)
Feet	Silicone

5 Ordering Information

5.1 Carousel and stand

Order no. (International)	Order no. (North America)	Description
3116 000.015	3116000015	**Carousel 2** for 6 Eppendorf Research/plus, Reference/2 or Biomaster additional holders are optionally available
3116 000.058	3116000058	**Stand 2** for one Eppendorf Multipette (Repeater) M4

5.2 Holder

Order no. (International)	Order no. (North America)	Description
3116 000.112	3116000112	**Holder 2** for one Eppendorf Research/plus, Reference/2, Biomaster or Tip Tool for Carousel 2, Charger Carousel 2 or wall mounting
3116 000.120	3116000120	**Holder 2** for one Eppendorf Xplorer/Xplorer plus for Carousel 2, Charger Carousel 2 or wall mounting (without charging functionality)
3116 000.139	3116000139	**Holder 2** for one electronic Eppendorf Multipette (Repeater) for Carousel 2, Charger Carousel 2 or wall mounting (without charging functionality)
3116 000.147	3116000147	**Holder 2** for one Eppendorf Multipette (Repeater) M4 for Carousel 2, Charger Carousel 2 or wall mounting
